

Join Us - Consultants

The consultants who work for us come from a broad range of backgrounds and share common traits. They have personality, intellectual curiosity and a drive to succeed in a competitive market.

Our unique structure distinguishes us from our competitors and gives our consultants the specialist knowledge needed to succeed. We provide an environment geared towards both professional and personal advancement, and the opportunity to work with a highly experienced team of professionals.

We invest heavily in training and career development, maintain flexible working hours, and reward our consultants with a substantial proportion of the fee income they generate. This includes a generous basic salary and bonus scheme, flexible working hours, central offices, international exposure, and a team environment.

We offer talented individuals the opportunity to work within an entrepreneurial framework where their contribution is properly valued and rewarded. Professionals with a demonstrable track record or those with relevant industry experience who have who thrive on a fast paced and performance driven environment are encouraged to consider a career with us.

We seek personalities that can make an impact and in exchange we offer an opportunity to be an integral part of a growing team, with the freedom to develop your career in a dynamic business with unlimited room to grow.

About Aquis Search

Aquis Search is a boutique executive search and selection firm focused on recruiting Legal, Risk and Compliance professionals. From our base in Hong Kong we work at all levels, recruiting and managing talent across the corporate, legal and financial community. We operate within a consultative framework and have developed a long standing reputation for our industry knowledge and for providing a high level of personalised service.

For our applicants we provide outstanding career opportunities, market insights and trusted career guidance and advice. For our clients we offer bespoke recruitment services designed to meet the needs of each assignment.

Our geographical coverage extends beyond our offices in Hong Kong utilising our extensive networks in many of the world's major financial centres.

By focusing on areas of business where our skills and resources deliver timely and effective solutions we connect talent with opportunity in a complex global market.
